Software Computer Group, Inc opens a new Division

Software Computer Group, Inc., (SWCG) a West Virginia Company based out of Fraziers Bottom, West Virginia is proud to announce the opening of their new division **SlingShot Technology**. Butch Evans, President of SWCG, stated that the new Division reflects a focus on business development that they have been working on for the last five (5) years. He stated that all of their existing customer base will remain under the SWCG umbrella except for their notification product line know as W.A.R.N. SWCG has negotiated a deal with W.A.R.N., LLC to rebrand the product as **SlingShot Mass Notify**.

The **SlingShot Technology** division will be primarily integrating today's technologies into innovate solutions that meet the needs of today's marketplace. Their Mission Statement will coincide with SWCG's which is service to our customers, satisfaction of our employees, commitment to our communities, and a dedication to quality, value, and ethics.
